L'ESPRIT DU VIN

After graduating in Geisenheim, Eva Fricke gained experience at Schloss Johannisberg and Peter Sisseck's Dominio de Pingus.

Since its inception in 2006, her estate has developed into one of the leading young producers in the Rheingau. Her vineyards have grown to a total of 17 hectares which she cultivates organic.

Eva's philosophy is simple: Delicate wines with a focus on terroir and elegance. She believes that Riesling is the most complex and sensitive grape variety and the best suited to express the different terroirs of the Rheingau.

While she primarily focuses on Riesling, she also produces a champagne-method Sekt made from Pinot Noir, aged for 36-45 months on the lees.

Her wines have gained worldwide recognition in the past years: For Stuart Pigott (James Suckling), her 2019 Pinot Noir Sekt is a "German rosé sparkling masterpiece" (95/100). Stephan Reinhardt (Wine Advocate) awarded her 96 points for her 2021 Schlossberg Riesling and the legendary 100 points for her Lorcher Krone Trockenbeerenauslese from the 2019 vintage.
